QUESTIONNAIRE

Name: _____ Age _____

This questionnaire is NOT a test. We are just interested in your ideas about composition so that we can offer material in the workshop that is interesting and helpful. In order to be able to actively participate and benefit from the workshops, we strongly recommend the completion of the Preliminary Rudiments Curriculum. If there is a question you are uncomfortable with, just leave it.

What Instruments Do You Play _____

Have you composed any pieces before? If so describe the one or two you liked best.

Do you have any ideas about what sort of piece you would like to compose at the workshop? If so tell us some of your ideas.

Tell us something about the kind of music you particularly admire: (Favourite pieces, composers, kinds of music, etc.)

Tell us about any instruction you've had in music theory and/or composition.

Do you have any special questions about composition that you would like answered in the workshops. If so tell us about them.
